Gentlemen,

We have your above referenced letter submitting copies of plans as listed therein on the above subject and with regard thereto have to advise that provided the details and arrangements be adhered to, the work is to the satisfaction of the Surveyors, and the Rules in all other respects are complied with, the same will be approved in association with the following comments:

1. The subject motor types are to be rated on an ambient temperature of 50°C for installation in boiler and engine rooms, as per 4/5.11 of the Rules. The motor's temperature rises are to be in accordance with 4/5.47 and Table 4/5.5 of the Rules.
2. The factory testing schedule for rotating machines, as per Table 4/5.7 is to be followed.

One (1) copy of each of the drawings approved in association with the above comments is being returned.

Very truly yours,

Robert L. Thomas
