Re: Technical documentation of electric motors

With reference to your letter No. NEK-sh/Ho 3236 of 27.10.1993,
please find enclosed one set of the following approved drawings :

1. Assembly and sectional drawings ZA 744 and ZA 745
2. Description of the constructive design ZA 744, sheet 1
3. Motor technical data, ZA 744, sheet 2
4. Designs ZA 744, sheet 3
5. Type designation EW-N 1002, sheet 4
6. Dimensions ZA 744, sheet 4
7. Stator winding insulation EW-N 2024, sheet, page 6
8. Bearing arrangement ZA 744, sheet 5
9. Rotors, shaft, diamensions and weights ZA 744, sheet 6
10. Check of motors in construction for sea-going vessels 8.946.
11. Dimensional drawings MZ 7215, MZ 9221, MZ 7415, MZ 9416

Please also find our invoice (600,- US Doll.) for approval of documenta-
tion.

We would like to explain you that according to our fax No TE/MAS/
193/411 of 93.09.03, the total cost of issuing PRS TYPE APPROVAL CERTI-
FICATE was specified as 3700 USD. In this case you will have to pay the
remaining 3.100 USD for type approval of your electric motors.

If you are interested in obtaining our Type Approval Certificate, please
give us the term of tests of your electric motors and confirm cost of
3100,- USD for Type Approval.

If you need any additional explanations, please contact us by telex.

Awaiting your replay, we remain, dear Sirs,

Encl.

Yours faithfully,
